KATHLEEN CONNELL  
Controller of the State of California

January 27, 1997

**To the Citizens of California and  
Holders of Unclaimed Property:**

I am pleased to present to you the latest version of *Unclaimed Property Law and Regulations*, which includes the laws passed during the 1995-96 regular legislative session. During this last year, my office successfully proposed legislation designed to assist business associations and to improve administration of the Unclaimed Property program. These legislative changes will save taxpayer dollars, and enhance efficiency in recovering unclaimed property.

The following are some of the most significant changes to the Unclaimed Property Law:

- The State Controller's Office, Bureau of Unclaimed Property, is now required to work with the Franchise Tax Board and obtain the most current known address of unclaimed property owners, increasing efficiency of the notification process.
- Holders remitting more than \$20,000 are now required to remit via Electronic Funds Transfer, allowing the state to collect funds in a more timely manner.
- Unclaimed property holders who fail to escheat property to the state now face stiffer fines and penalties, a measure intended to enhance compliance with the law.
- The aggregate amount to be reported has been increased to \$50, improving efficiency of the program overall.

This document, along with other State Controller's Office publications, can now be found on the State Controller's Office website. Our home page address is <http://www.sco.ca.gov>. Please send any comments or questions to the State Controller's Office, Division of Collections, Bureau of Unclaimed Property, Post Office Box 942850, Sacramento, California 94250-5873.

Sincerely,

KATHLEEN CONNELL  
State Controller

Nothing in this subdivision affects or limits the right of the State Controller to recover such property from the other state.

(a) Any sum payable on a money order, travelers check, or other similar written instrument (other than a third-party bank check) on which a business association is directly liable escheats to this state under this chapter if the conditions for escheat stated in Section 1513 exist and if:

- (1) The books and records of such business association show that such money order, travelers check, or similar written instrument was purchased in this state;

(b) Notwithstanding any other provision of this chapter, this section applies to sums payable on money orders, travelers checks, and similar written instruments deemed abandoned on or after February 1, 1965,

except to the extent that such sums have been paid over to a state prior to January 1, 1974. For the purposes of this subdivision, the words "deemed abandoned" have the same meaning as those words have as used in Section 604 of Public Law Number 93-495 (October 28, 1974), 88th Statutes at Large 1500.

**CCP 1513. [Bank deposits: Funds and deposits toward purchase of interest in financial organization: Travelers checks: Instruments on which financial organization directly liable: Money orders.]** Subject to Sections 1510 and 1511, the following property held or owing by a business association escheats to this state:

(a) Except as provided in subdivision (f), any demand, savings, or matured time deposit, or account subject to a negotiable order of withdrawal, made with a banking organization, together with any interest or dividends thereon, excluding, from demand deposits and accounts subject to a negotiable order of withdrawal only, any reasonable service charges which may lawfully be withheld and which do not (where made in this state) exceed those set forth in schedules filed by the banking organization from time to time with the Controller, when the owner, for more than three years, has not done any of the following:

(1) Increased or decreased the amount of the deposit, or presented the passbook or other similar evidence of the deposit for the crediting of interest.

(2) Corresponded in writing with the banking organization concerning the deposit.

(3) Otherwise indicated an interest in the deposit as evidenced by a memorandum or other record on file with the banking organization.

No banking organization may discontinue any interest or dividends on any savings deposit because of the inactivity contemplated by this section.

(b) Except as provided in subdivision (f), any demand, savings, or matured time deposit, or matured investment certificate, or account subject to a negotiable order of withdrawal, or other interest in a financial organization or any deposit made therewith, and any interest or dividends thereon, excluding, from demand deposits and accounts subject to a negotiable order of withdrawal only, any reasonable service charges which may lawfully be withheld and which do not (where made in this state) exceed those set forth in schedules filed by the financial organization from time to time with the Controller, when the owner, for more than three years, has not done any of the following:

(1) Increased or decreased the amount of the funds or deposit, or presented an appropriate record for the crediting of interest or dividends.

(2) Corresponded in writing with the financial organization concerning the funds or deposit.

(3) Otherwise indicated an interest in the funds or deposit as evidenced by a memorandum or other record on file with the financial organization.

No financial organization may discontinue any interest or dividends on any funds paid toward purchase of shares or other interest, or on any deposit, because of the inactivity contemplated by this section.

(c) Any sum payable on a travelers check issued by a business association that has been outstanding for more than 15 years from the date of its issuance, when the owner, for more than 15 years, has not corresponded in writing with the business association concerning it, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the association.

(d) Any sum payable on any other written instrument on which a banking or financial organization is directly liable, including, by way of illustration but not of limitation, any draft or certified check, that has been outstanding for more than five years from the date it was payable, or from the date of its issuance if payable on demand, when the owner, for more than five years, has not corresponded in writing with the banking or financial organization concerning it, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the banking or financial organization.

(e) Any sum payable on a money order issued by a business association (including a banking or financial organization), that has been outstanding for more than seven years from the date it was payable,

or from the date of its issuance if payable on demand, when the owner, for more than seven years, has not corresponded in writing with the business association, banking, or financial organization concerning it, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the business association.

(f) Any funds held by a business association in an individual retirement account or under a retirement plan for self-employed individuals or similar account or plan established pursuant to the internal revenue laws of the United States or of this state, when the owner, for more than three years after the funds become payable or distributable, has not done any of the following:

- (1) Increased or decreased the principal.
- (2) Accepted payment of principal or income.
- (3) Corresponded in writing concerning the property or otherwise indicated an interest.

These funds are not payable or distributable within the meaning of this subdivision unless, under the terms of the account or plan, distribution of all or a part of the funds would then be mandatory.

(g) For purposes of this section "service charges" means service charges imposed because of the inactivity contemplated by this section.

**CCP 1513.5. [Notice to customer by financial organization.]**

(a) Except as provided in subdivision (c), if the holder has in its records an address for the apparent owner, which the holder's records do not disclose to be inaccurate, every banking or financial organization shall make reasonable efforts to notify by mail any customer that the customer's deposit, account, shares, or other interest in the banking or financial organization will escheat to the state pursuant to subdivision (a) or (b) of Section 1513. The holder shall give notice either:

(1) Not less than two years nor more than two and one-half years after the date of last activity by, or communication with, the owner with respect to the account, deposit, shares, or other interest, as shown on the record of the financial organization.

(2) Not less than six nor more than 12 months before the time the account, deposit, shares, or other interest becomes reportable to the Controller in accordance with this chapter.

(b) The notice required by this section shall specify the time that the deposit, account, shares, or other interest will escheat and the effects of escheat, including the necessity for filing a claim for the return of the deposit, account, shares, or other interest. It shall also include a form, as prescribed by the Controller, by which the customer may declare an intention to maintain the deposit, account, shares, or other interest. If that form is filled out, signed by the customer, and returned to the banking or financial organization, it shall satisfy the requirement of paragraph (3) of subdivision (a) or paragraph (3) of subdivision (b) of Section 1513. The banking or financial organization may impose a service charge on the deposit, account, shares, or other interest for this notice in an amount not to exceed the administrative cost of mailing the notice and form and in no case to exceed two dollars (\$2).

(c) Notice as provided by subdivisions (a) and (b) shall not be required for deposits, accounts, shares, or other interests of less than fifty dollars (\$50), and no service charge may be made for notice on these items.

**CCP 1514. [Contents of safe deposit box or safekeeping repository.]** The contents of any safe deposit box or any other safekeeping repository, held in this state by a business association, escheat to this state if unclaimed by the owner for more than three years from the date on which the lease or rental period on the box or other repository expired, or from the date of termination of any agreement because of which the box or other repository was furnished to the owner without cost, whichever last occurs.

**CCP 1515. [Life insurance policy: Annuity.]**

(a) Subject to Section 1510, funds held or owing by a life insurance corporation under any life or endowment insurance policy or annuity contract which has matured or terminated escheat to this state if unclaimed and unpaid for more than three years after the funds became due and payable as established from the records of the corporation.

(b) If a person other than the insured or annuitant is entitled to the funds and no address of that person is known to the corporation or if it is not definite and certain from the records of the corporation what person is entitled to the funds, it is presumed that the last known address of the person entitled to the funds is the same as the last known address of the insured or annuitant according to the records of the corporation. This presumption is a presumption affecting the burden of proof.

(c) A life insurance policy not matured by actual proof of the death of the insured according to the records of the corporation is deemed to be matured and the proceeds due and payable if:

(1) The insured has attained, or would have attained if he or she were living, the limiting age under the mortality table on which the reserve is based.

(2) The policy was in force at the time the insured attained, or would have attained, the limiting age specified in paragraph (1).

(3) Neither the insured nor any other person appearing to have an interest in the policy has, within the preceding three years, according to the records of the corporation (i) assigned, readjusted, or paid premiums on the policy, (ii) subjected the policy to loan, or (iii) corresponded in writing with the life insurance corporation concerning the policy.

(d) Any funds otherwise payable according to the records of the corporation are deemed due and payable although the policy or contract has not been surrendered as required.

**CCP 1516. [Dividend, profit, distribution, etc., owing by business association.]**

(a) Subject to Section 1510, any dividend, profit, distribution, interest, payment on principal, or other sum held or owing by a business association for or to its shareholder, certificate holder, member, bondholder, or other security holder, or a participating patron of a cooperative, who has not claimed it, or corresponded in writing with the business association concerning it, within three years after the date prescribed for payment or delivery, escheats to this state.

(b) Subject to Section 1510, any intangible interest in a business association, as evidenced by the stock records or membership records of the association, escheats to this state if (1) the interest in the association is owned by a person who for more than three years has neither claimed a dividend or other sum referred to in subdivision (a) nor corresponded in writing with the association or otherwise indicated an interest as evidenced by a memorandum or other record on file with the association, and (2) the association does not know the location of the owner at the end of the three-year period. With respect to the interest, the business association shall be deemed the holder.

(c) Subject to Section 1510, any dividends or other distributions held for or owing to a person at the time the stock or other security to which they attach escheats to this state also escheat to this state as of the same time.

(d) With respect to any interest that may escheat pursuant to subdivision (b), the business association shall make reasonable efforts to notify the owner by mail that the owner's interest in the business association will escheat to the state. The notice shall be given not less than 6 nor more than 12 months before the time the interest in the business association becomes reportable to the Controller in accordance with this chapter. The notice required by this subdivision shall specify the time that the interest will escheat and the effects of escheat, including the necessity for filing a claim for the return of the interest. It shall also include a form, as prescribed by the Controller, by which the owner may confirm the owner's current address. If that form is filled out, signed by the owner, and returned to the holder, it shall be deemed that the business association knows the location of the owner.

**CCP 1517. [Distributions from dissolution or liquidation of business association.]**

(a) All property distributable in the course of a voluntary or involuntary dissolution or liquidation of a business association that is unclaimed by the owner within six months after the date of final distribution or liquidation escheats to this state.

(b) All property distributable in the course of voluntary or involuntary dissolution or liquidation of an insurer or other person brought under Article 14 (commencing with Section 1010) of Chapter 1 of Part 2 of Division 1 of the Insurance Code, that is unclaimed by the owner after six months of the date of final distribution, shall be transferred to the Department of Insurance, with any proceeds of sale of property and other funds to be deposited in the Insurance fund for expenditure as provided in Section 12937 of the Insurance Code.

(c) This section applies to all tangible personal property located in this state and, subject to Section 1510, to all intangible personal property.

**CCP 1518. [Property held in fiduciary capacity: Income or increment: Property held by agent for business association.]**

(a) All tangible personal property located in this state and, subject to Section 1510, all intangible personal property, and the income or increment on such tangible or intangible property, held in a fiduciary capacity for the benefit of another person escheats to this state if after it becomes payable or distributable, the owner has not, within a period of three years, increased or decreased the principal, accepted payment of principal or income, corresponded in writing concerning the property, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the fiduciary.

(b) Funds in an individual retirement account or a retirement plan for self-employed individuals or similar account or plan established pursuant to the internal revenue laws of the United States or of this state are not payable or distributable within the meaning of subdivision (a) unless, under the terms of the account or plan, distribution of all or part of the funds would then be mandatory.

(c) For the purpose of this section, when a person holds property as an agent for a business association, he or she is deemed to hold the property in a fiduciary capacity for the business association alone, unless the agreement between him or her and the business association clearly provides the contrary. For the purposes of this chapter, if a person holds property in a fiduciary capacity for a business association alone, he or she is the holder of the property only insofar as the interest of the business association in the property is concerned and the association is deemed to be the holder of the property insofar as the interest of any other person in the property is concerned.

**CCP 1519. [Property held by government or governmental agency.]** All tangible personal property located in this state, and, subject to Section 1510, all intangible personal property, held for the owner by any government or governmental subdivision or agency, that has remained unclaimed by the owner for more than three years escheats to this state.

**CCP 1519.5 [Escheat of unclaimed sums held by business association that have been ordered refunded.]** Subject to Section 1510, any sums held by a business association that have been ordered to be refunded by a court or an administrative agency including, but not limited to, the Public Utilities Commission, which have remained unclaimed by the owner for more than one year after becoming payable in accordance with the final determination or order providing for the refund, whether or not the final determination or order requires any person entitled to a refund to make a claim for it, escheats to this state.

It is the intent of the Legislature that the provisions of this section shall apply retroactively to all funds held by business associations on or after January 1, 1977, and which remain undistributed by the business association as of the effective date of this act.

Further, it is the intent of the Legislature that nothing in this section shall be construed to change the authority of a court or administrative agency to order equitable remedies.

**CCP 1520. [Property held or owing in ordinary course of business.]**

(a) All tangible personal property located in this state and, subject to Section 1510, all intangible personal property, except property of the classes mentioned in Sections 1511, 1513, 1514, 1515, 1516, 1517, 1518, 1519, and 1521, including any income or increment thereon and deducting any lawful charges, that is held or owing in the ordinary course of the holder's business and has remained unclaimed by the owner for more than three years after it became payable or distributable escheats to this state.

(b) Except as provided in subdivision (a) of Section 1513.5 and subdivision (d) of Section 1516, if the holder has in its records an address for the apparent owner of property valued at fifty dollars (\$50) or more, which the holder's records do not disclose to be inaccurate, the holder shall make reasonable efforts to notify the owner by mail that the owner's property will escheat to the state pursuant to this chapter. The notice shall be mailed not less than six nor more than 12 months before the time when the owner's property held by the business becomes transferable to the Controller in accordance with this chapter. The notice required by this subdivision shall specify the time when the property will escheat and the effects of escheat, including the need to file a claim in order for the owner's property to be returned to the owner. It shall also include a form, as prescribed by the Controller, by which the owner may confirm the owner's current address. If that form is filled out, signed by the owner, and returned to the holder, it shall be deemed that the account, or other device in which the owner's property is being held, remains currently active and recommences the escheat period.

(c) For purposes of this section, "lawful charges" means charges which are specifically authorized by statute, other than the Unclaimed Property Law, or by a valid, enforceable contract.

**CCP 1520.5. [Relating to gift certificates.]** Section 1520 shall not apply to gift certificates subject to Title 1.4A (commencing with Section 1749.5) of Part 4 of Division 3 of the Civil Code.

**CCP 1521. [Escheats of employee benefit plan distributions.]**

(a) Except as provided in subdivision (b), and subject to Section 1510, all employee benefit plan distributions and any income or other increment thereon escheats to the state if the owner has not, within three years after it becomes payable or distributable, accepted the distribution, corresponded in writing concerning the distribution, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the fiduciary of the trust or custodial fund or administrator of the plan under which the trust or fund is established. As used in this section, "fiduciary" means any person exercising any power, authority, or responsibility of management or disposition with respect to any money or other property of a retirement system or plan, and "administrator" means the person specifically so designated by the plan, trust agreement, contract, or other instrument under which the retirement system or plan is operated, or if none is designated, the employer.

(b) Except as provided in subdivision (c), an employee benefit plan distribution and any income or other increment thereon shall not escheat to this state if, at the time the distribution shall become payable to a participant in an employee benefit plan, the plan contains a provision for forfeiture or expressly authorizes the administrator to declare a forfeiture of a distribution to a beneficiary thereof who cannot be found after a period of time specified in the plan, and the trust or fund established under the plan has not terminated prior to the date on which the distribution would become forfeitable in accordance with the provision.

(c) A participant entitled to an employee benefit plan distribution in the form of residuals shall be relieved from a forfeiture declared under subdivision (b) upon the making of a claim therefore.

**CCP 1522. [Service, handling, maintenance, or other charges.]** No service, handling, maintenance or other charge or fee of any kind which is imposed because of the inactive or unclaimed status contemplated by this chapter, may be deducted or withheld from any property subject to escheat under this chapter, unless specifically permitted by this chapter.

Even when specifically permitted by this chapter, such charges or fees may not be excluded, withheld or deducted from property subject to this chapter if, under its policy or procedure, the holder would not have excluded, withheld or deducted such charges or fees in the event the property had been claimed by the owner prior to being reported or remitted to the Controller.

**CCP 1523. [Proposition 103 rebate.]**

(a) If an insurer, after a good faith effort to locate and deliver to a policyholder a Proposition 103 rebate ordered or negotiated pursuant to Section 1861.01 of the Insurance Code, determines that a policyholder cannot be located, all funds attributable to that rebate escheat to the state. The funds subject to escheat during the 1996-97 fiscal year in excess of fourteen million dollars (\$14,000,000), shall be transferred to the Department of Insurance for deposit in the Insurance Fund, for expenditure as provided in Section 12936 of the Insurance Code. The funds subject to escheat during the 1997-98 fiscal year shall be similarly deposited in the Insurance Fund up to the amount that, when combined with the amounts transferred to the Insurance Fund under this subdivision during the 1996-97 fiscal year, will repay principal and interest on the General Fund loan authorized by Item 0845-001-0001 of the 1996 Budget Act.

(b) It is the intent of the Legislature that the provisions of this section shall not constitute precedent for any future diversions of escheated money from any source to any fund other than the General Fund.

(c) Upon a determination by the Commissioner of Insurance that all Proposition 103 rebates pursuant to Section 1861.01 of the Insurance Code have been paid to policyholders or have escheated and have been transferred pursuant to subdivision (a), the commissioner shall notify the Secretary of State of that determination, and this section shall as of that date be repealed.

**CCP 1528. [Unclaimed life insurance used for scholarships.]** This chapter does not apply to unclaimed funds held by a life insurance corporation which is organized or admitted as a domestic fraternal benefit society under Chapter 10 (commencing with section 10970) of Part 2 of Division 2 of the Insurance Code, so long as such funds are used for scholarship funds, exclusive of costs of administration thereof.

(a) Within one year after payment or delivery of escheated property as required by Section 1532, the Controller shall cause a notice to be published, in a newspaper of general circulation which the Controller determines is most likely to give notice to the apparent owner of the property.

(b) Each published notice shall be entitled "notice to owners of unclaimed property."

(c) Each published notice shall also contain a statement that information concerning the amount or description of the property may be obtained by any persons possessing an interest in the property by addressing any inquiry to the Controller.

Penalties are due at the time of payment. If the Controller finds that a holder's failure to make payment by an appropriate electronic funds transfer in accordance with the Controller's procedures is due to reasonable cause and circumstances beyond the holder's control, and occurred notwithstanding the exercise of ordinary care and in the absence of willful neglect, that holder shall be relieved of the penalties.

(g) For purposes of this section:

(1) "Electronic funds transfer" means any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, that is initiated through an electronic terminal, telephonic instrument, modem, computer, or magnetic tape, so as to order, instruct, or authorize a financial institution to credit or debit an account.

(6) "International funds transfer" means any transaction originated by the holder and utilizing the international electronic payment system to transfer funds, pursuant to which the holder debits its own bank account, and credits the funds to a United States bank that credits the Unclaimed Property Fund.

Where reimbursement is sought for a payment made on a negotiable instrument (including a travelers check or money order), the holder shall be reimbursed under this subdivision upon filing proof that the instrument was duly presented to him and that payment was made thereon to a person who appeared to the holder to be entitled to payment.

(b) If any holder, because of mistake of law or fact, pays or delivers any property to the State Controller that has not escheated under this chapter and thereafter claims the property from the State Controller, the State Controller shall, if he has not disposed of the property in accordance with this chapter, refund or redeliver the property to the holder without deduction for any fee or other charge.

The Controller may decline the highest bid and reoffer the property for sale if he or she considers the price bid insufficient. The Controller need not offer any property for sale if, in his or her opinion, the probable cost of sale exceeds the value of the property.
